MOMS IMPACT *Hearts, Minds & Spirits*

God has uniquely created moms to nurture, encourage and care for their children as they lead and support their families. We first learn to love ourselves as we see mom's love reflecting back at us in her eyes. From kissing boo-boos to being our biggest cheerleader and helping us grow in our faith, moms make a huge impact. Today we celebrate the moms, grandmas, aunts and mother figures who have made an imprint on our lives. *Honor her for all that her hands have done, and let her works bring her praise at the city gate.* Proverbs 31:31

Moms from different backgrounds and in various circumstances in life want to do their best for the children God has entrusted to them. At Arizona Baptist Children's Services & Family Ministries (ABCS), we walk alongside moms who are struggling and share the love of Christ with them. Moms like Juliet, who has been in our New Life Transitional Program since 2019 and recently graduated. Juliet shares that the most valuable thing she got out of her experience in the program is confidence in herself and a better relationship with God. During her time in the transitional program, Juliet rededicated her life to Christ. She also had some trauma from past abuse that she has been able to work through with her mentor and other program participants. Juliet remains in the New Life Transitional Program as a mentor to other moms We're grateful for the ways that God is transforming lives like Juliet's through the ministries of ABCS.

Your support of ABCS through the Mother's Day Offering provides hope and care to hurting children and families through Christ-centered ministries. Together we make a difference.
