Consider hosting a Baby Bottle Campaign to support  
**NEW LIFE PREGNANCY CENTER**

## Why should we host a Baby Bottle Campaign?

Funds raised stay locally to help support the nearest New Life Pregnancy Center. Visit [newlifepregnancy.com](http://newlifepregnancy.com) to find your local center and center locations across Arizona and in Mexico. Your support enables NLPC to provide free pregnancy tests, counseling, parenting classes, ultrasounds (where available), Bible Studies and material assistance such as diapers and clothing.

## Who should host a Baby Bottle Campaign?

Anyone! Churches, youth groups, businesses, community organizations, schools and families.

## How long will the campaign last?

Approximately 3-4 weeks with promotion. Normally the bottles are collected for 2 weeks.

## We've never hosted a campaign before. How should we promote the event?

NLPC will provide you with posters and flyers. You can promote the event with announcements, in materials such as newsletters and bulletins, on your website and on social media. Whatever works best for you!

## Should we count the money in the bottles before returning them?

This is not necessary. NLPC staff will pick up the bottles and count them for you.

## How do we get started?

Contact your local NLPC director to sign up and receive a BBC Coordinator's Kit. If you do not have a director's contact information, please email [info@newlifepregnancy.com](mailto:info@newlifepregnancy.com) to be directed to the appropriate person in your area.
